Evaluations may require the applicant to submit their transcript to a third party agency for a determination of U.S. Equivalency. Agencies will charge a fee for their services that is payable by the applicant.
3. Have the completed Christian character reference form sent to Luther Rice. The form will be emailed to the reference once the application is submitted.

Non-Degree Student

A non-degree student is one desiring to take only a limited number of courses for credit, without enrolling in an official degree program. Students wanting to use Luther Rice course credits to transfer to another institution would fall into this category. A non-degree student is coded as a *Special Student* in the Luther Rice computer database. Non-degree students may complete undergraduate and graduate courses, not doctoral.

The process for acceptance as a non-degree student is as follows:

1. Submit a completed Application, along with the application fee, to the Admissions and Records Office. Select Special Student/Non-Degree as the degree program.
2. Submit an official letter from your current institution's Registrar stating that you are a student in good standing and what program of study you are enrolled, or a copy of the transcript of the highest degree earned. If the student is not currently enrolled in another institution, the most recent post-secondary transcript must be submitted.
3. Submit a statement describing your conversion experience, including what a person must do to receive eternal life and when you personally took that step.

A non-degree student is subject to all current institutional policies, including but not limited to financial, academic, and behavioral requirements.

Readmission Policies

2. Any student who voluntarily withdraws.
3. Any student suspended for academic or disciplinary reasons.

Doctoral Students

1. Any student who does not complete his program within the specified length of time (see Program Time Limitations, pg. 62).
2. Any student who voluntarily withdraws.
3. Any student suspended for academic or disciplinary reasons.

In order for any earlier work and/or payments to be credited at the time of readmission:

1. Any previous balance owed to Luther Rice must be paid upon readmission.
2. If accepted, the student will reenter at the then current tuition rates and degree requirements.
3. Completed academic work in a doctoral program that is older than the maximum program time limitations (see Program Time Limitations, pg. 62) may not be counted toward degree requirements at readmission.

If all the requirements listed above cannot be met at the time of readmission, the student must apply to enter the doctoral program as a new student. No earlier academic work or financial payments will be credited toward the degree.

Military Service Member Readmission

Per the provision stated in Chapter 3 of Volume 2 of the Federal Student Aid Handbook, the following readmission verbiage pertains to U.S. Armed Forces members and their families.

Luther Rice will promptly readmit a service member with the same academic status as he had when last attended the school or accepted for admission to the school. This requirement applies to any student who cannot attend school due to military service. The student must notify the school of his military service and intention to return to school as follows:

- Notification of military service. The student (or an appropriate officer of the armed forces or official of the Department of Defense) must give oral or written notice of such service to the school as far in advance as is reasonable under the circumstances. This notice does not have to indicate whether the student intends to return to the school and may not be subject to any rule of timeliness. (Timeliness must be determined by the facts in each case.) Alternatively, at the time of readmission, the student may submit an attestation of military service that necessitated the student's absence from the school. No notice is required if precluded by military necessity, such as service in operations that are classified or would be compromised by such notice.

- Notification of intent to return to school. The student must also give oral or written notice of her intent to return to the school within three years after the completion of the period of service. A student who is hospitalized or convalescing due to an illness or injury incurred or aggravated during the performance of service must notify the school within two years after the end of the period needed for recovery from the illness or injury. A student who fails to apply for readmission within these periods does not forfeit eligibility for readmission but is subject to the school's established leave of absence policy and general practices.

Luther Rice will promptly readmit the student into the next class or classes in the program beginning after he provides notice of intent to reenroll, unless he requests a later date or unusual circumstances require the school to admit him at a later date. This requirement supersedes state law—for example, a school must readmit a qualifying service member to the next class even if that class is at the maximum enrollment level set by the state.

Luther Rice will admit the student with the same academic status, which means:

- to the same program to which the student was last admitted or, if that exact program is no longer offered, the program that is most similar to that program, unless she chooses a different program;
- at the same enrollment status, unless the student wants to enroll at a different enrollment status;
- with the same number of credit hours previously completed, unless the student is readmitted to a different program to which the completed credit hours are not transferable, and
- with the same academic standing (e.g., with the same satisfactory academic progress status) the student previously had.

If the student is readmitted to the same program, for the first academic year in which he returns, Luther Rice will assess the tuition and fee charges that he was or would have been assessed for the academic year during which he left the school. However, if his veterans education benefits or other service member education benefits will pay the higher tuition and fee charges that other students in the program are paying for the year, Luther Rice may assess those charges to the student as well.

If the student is admitted to a different program, and for subsequent academic years for a student admitted to the same program, Luther Rice will assess no more than the tuition and fee charges that other students in the program are assessed for that academic year.

The cumulative length of the absence and of all previous absences from the school for military service may not exceed five years. Only the time the student spends actually performing service is counted.

Luther Rice will refund 100% of all tuition and fees for military personnel who receive orders calling them into active duty and must discontinue studies during the academic semester. Please contact the Student Accounts Office and submit a copy of your official notification.

Change of Degree

Students may be enrolled in only one degree program at a time unless prior approval is given by Luther Rice Administration. To change a degree program, please submit a readmission application, select change of degree and pay the appropriate fee. Students wishing to complete both a Master of Arts degree and a Master of Divinity degree must complete the Master of Arts degree first. Students who complete the Master of Divinity degree will only be allowed to enroll in a Master of Arts degree that have six (6) or less credit hours in common with the student's completed Master of Divinity.

Students who have completed a Master of Arts degree and desire to complete a second Master of Arts degree, will not be eligible for application if the second Master of Arts degree has more than six (6) credit hours in common with the previous degree.

Transfer of Credit

The Transfer of Academic Credit Policy and Procedures explains how Luther Rice College and Seminary evaluates, awards, and accepts academic credit not originating from the institution.

The following provides guidance of how Luther Rice College and Seminary transfers academic credit not originating from the institution.

Evaluating, awarding, and accepting academic credit not originating from Luther Rice is conducted in accordance with institutional policies and procedures informed by the Joint Statement on Transfer and Award of Credits. The Luther Rice Transfer of Academic Credit Policies and Procedures are developed and approved by the Luther Rice Office of Admissions and Records and Faculty and disseminated in various forms to Luther Rice constituents via the Luther Rice Catalog, Student Handbook, Admissions Policies and Procedures Manual, and website.

Students enrolling in bachelor's or master's programs may transfer approved courses of the same degree level for which they received a grade of "C" or better from an institution external to Luther Rice with accreditation recognized by the Council of Higher Education (CHEA) or the U.S. Department of Education.

Luther Rice aims to provide consideration for students requesting transfer of credit. Luther Rice considers transfer of credit for academic work completed at another institution for both on-campus and distance learning education courses. The

following reflects the maximum number of transfer credits possible in each degree program:

Certificate	0 Hours
Associate of Arts in General Studies	45 Hours
Bachelor of Arts in Psychology	90 Hours
Bachelor of Arts in Religion	90 Hours
Master of Arts	6 Hours
Master of Divinity (81 credits)	54 Hours
Master of Divinity (90 credits)	60 Hours
Doctor of Ministry	0 Hours
Doctor of Philosophy in Organizational Leadership	9 Hours
Doctor of Philosophy in Christian Scripture	0 Hours

If necessary, Luther Rice reserves the right to request information from the institution in question to assess comparability of transfer credits. Information requested may include catalogs, syllabi, program learning outcomes, course descriptions, and direct contact with faculty and/or staff at institutions in questions.

Luther Rice will make every reasonable effort to award transfer credits toward the specific requirements of each degree. Credits reflected on a transcript from another institution may or may not be awarded by Luther Rice bearing the same nature as those awarded by the transferring institution. Previous work, because of its nature and not necessarily its inherent quality, may be considered for elective credit only based on the specific degree requirements pursued by the student at Luther Rice.

In addition to institutional credits, students may receive credit for other completed educational accomplishments. Luther Rice acceptance of non-instructional credit is limited to the military (Joint Service Transcript), CPE (Continuing Practical Education), and CLEP (College Level Examination Program). All other forms of experiential learning, prior learning assessments, credit by examination, or conversion of prior noncredit experiences are not eligible for transfer. Luther Rice does not offer transfer of credit for advanced placement or remedial courses and does not maintain any articulation agreements with other institutions.

Luther Rice accepts CLEP (College Level Examination Program) scores that meet the American Council on Education recommendations for undergraduate credit. The tests require a fee and can be taken at various locations (see www.collegeboard.com/clep). The scores must be sent directly to Luther Rice to be accepted and must be comparable to the Luther Rice degree requirements. For more information on what CLEP tests could be accepted at Luther Rice, contact the Office of Admissions and Records. Luther Rice recommends that all CLEP tests be taken at least one year prior to the student's anticipated graduation date.

Clinical Pastoral Education (CPE) credits are evaluated using the same criteria listed above. In addition, the Executive Vice President and Provost, in conjunction with the appropriate Program Coordinator, evaluates the clinical clock hours accrued, learning outcomes, and assessment procedures to determine proficiency and awarding credit. Students who desire to enroll in a Clinical Pastor Education program may be awarded credit towards their program of study. Each application is evaluated on a case-by-case basis. Students must submit a written request to the Executive Vice President and Provost for approval.

Transcripts from foreign institutions will be evaluated by Luther Rice. In the event the transcript cannot be evaluated by Luther Rice, the applicant will be required to submit their transcript to a third party agency for a determination of U.S. equivalency. The agency used must be approved/certified by either The National Association of Credential Evaluation Services (NACES) or The Association of Credential Evaluators (AICE). Agencies will charge a fee for their services and is payable by the applicant.

Luther Rice requires official transcripts for admission. Students who need an official transcript sent to Luther Rice may send it electronically to Transcripts@LutherRice.edu or by mail to Luther Rice College & Seminary, Attn: Admissions, 3038 Evans Mill Rd., Lithonia, GA 30038. Transcripts must be received directly from an institution to be considered official.

Students who have questions regarding the transfer of credit to Luther Rice should contact the Office of Admissions and Records at 770-484-1204. Transfer of credit appeals are to be submitted in writing to the Executive Vice President and Provost, who may refer the matter to the appropriate faculty committee. The Executive Vice President and Provost's decision is final.

Appealing Admission Denials

When applicants do not meet the regular admission, readmission, or change of degree requirements for entrance into an academic program, they will be notified of denial by the Office of Admissions and Records. Such decisions may be appealed by applicants who believe that extenuating circumstances are responsible for their failure to meet the requirements for admission. Appeals are to be submitted in writing to the Executive Vice President and Provost, who may refer the matter to the appropriate faculty committee. The Executive Vice President and Provost's decision is final.

Students who enter an academic program through the appeals process, without meeting the regular admissions requirements, may, at the discretion of the Executive Vice President and Provost, be admitted on condition of satisfactory performance in the first year of study. Such students will be notified of the probation or other conditions that apply when notified of their acceptance. Failure to fulfill such conditions may result in prolonged probation or dismissal.
